This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of Big A Auto Sales Lot 2, LLC d/b/a Gold Star Limousine Service (the Applicant) filed February 24, 2009, whereby the Applicant seeks approval of an amendment to Class C Charter Certificate of Public Convenience and Necessity No. 8048. The Applicant requests approval of a change in the passenger restriction appearing on such Certificate.

A review of the docket file reveals that the Applicant was granted authority (Certificate No. 8048) to render motor passenger service pursuant to Commission Order No. 2008-678, issued October 2, 2008. The Applicant now seeks to amend Certificate No. 8048 by a change in the passenger restriction appearing on such Certificate.

Currently, the Applicant's authority to provide passenger service (Certificate No. 8048) reads as:

...to furnish passenger service...as follows:

Between Points and Places in South Carolina,

Restricted To: Eight (8) Passengers.

The Applicant requests to increase the passenger restriction from eight (8) to fifteen (15) passengers.

Based upon review of the matters asserted in the Applicant's request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request for modification of Certificate of Public Convenience and Necessity No. 8048 of Big A Auto Sales Lot 2, LLC d/b/a Gold Star Limousine Service by changing the passenger restriction thereon from eight (8) passengers to fifteen (15) passengers be, and hereby is, approved.

2. That said approval is for a change in the passenger restriction authorized by such Certificate but does not otherwise authorize any change in the operation of the regulated services.

3. An amended Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

4. That prior to compliance with statutory and regulatory requirements and the receipt of such amended Certificate, the modified motor carrier services authorized by such Certificate may not be provided under the amendment approved herein.
